

Part-time/Seasonal Outdoor Plant Help

Modern Coop Telephone Company

Modern Cooperative Telephone Company (MCTC) is looking for a part-time/seasonal outdoor plant help. MCTC is a small independent telecommunications company that has been serving the towns of Keswick, Kinross, Millersburg, South English and Webster since 1957. MCTC is committed to providing excellent customer service as well as the latest communications technology delivered by fiber optics.

Responsibilities include:

- Locating and exposing of buried fiber optical and copper facilities. Perform maintenance as needed.
- Construction and maintenance of new and existing fiber facilities.
- Maintain telecommunication plant and equipment. Including but not limited to installation of fiber, inside wiring, routers and network terminals.
- Report and perform work in a safe and timely manner
- Positive attitude and professional demeanor with excellent listening, verbal and written skills, especially when dealing with customers.
- Work independently in the field with attention to details.
- A good driving record, able to work outdoors in all weather conditions and the ability to lift 50 lbs.
- Maintaining company grounds and buildings.
- Handle confidential information appropriately.

Experience and skills:

- Locating underground cables.
- Utilizing fiber test equipment (OTDR, light and power meter) a plus.

Additional information:

- Motor Vehicle Record (MVR) required for company insurance qualifications.
- Valid Iowa driver's license is required.
- Must be willing to learn job duties.
- Modern Coop Telephone Company is an Equal Opportunity Employer (EOE)
